THE OPPORTUNITY

For 40 years, MWSB has ministered to young adults. Each year, God has transformed lives. However, we've reached capacity. Our classes are full two years in advance, and the demand for Biblical teaching and discipleship continues to grow.

Now, a rare opportunity has emerged: a former Bible college campus in Kalispell, Montana, perfectly aligned with our model, is available for purchase.

THE NEED

The cost: \$9 million

Immediate need: \$6.5 million in the next 60 days to purchase the property

Future need: \$3 million over three years to launch the campus

GIFT CHART

Raising \$6.5 million in a short period is quite a challenge. Here's a potential breakdown of how to achieve this goal.

- 1 person gives \$2.5 million
- 2 people give \$1 million
- 3 people give \$500,000
- 6 people give \$250,000
- 10 people give \$100,000
- 20 people give \$50,000

BOTTOM LINE

God may be opening a door for MWSB to teach and disciple twice as many students each year. We are exploring His leading and trusting Him for the provision needed.
